

Do you want to reduce the amount of toilet paper your business is using?

Up to **40%** usage reduction* means fewer refills and less maintenance

Key benefits

-  Quick breakdown and reduced consumption minimises the risk of expensive blockages
-  Fully enclosed system for maximum hygiene, only touch what you take
-  Smart Core technology - the most convenient way to remove a core saving time and waste
-  Refills accredited with EU Eco Label
-  Refills supplied in Carrypack packaging for easy handling and disposal

Tork SmartOne®

High consumption of toilet paper leads to regular refills, costing you time and money in an area that is difficult to monitor and control. Single sheet dispensing means rolls last longer, so that you refill less often and can prioritise other tasks. Completely enclosed dispensers also mean that users only touch the paper they use, making your washroom more hygienic.

Dispensers

Reduce spend, improve hygiene
